TEAM ROSTER – There is no maximum of the number of players on a team’s roster. A player, who did not participate in a team’s first five games by registering a point or a foul, will be ineligible to play the rest of the season, including the playoffs.

PENALTY: Forfeiture of game(s) played with ineligible player(s) and elimination from the playoffs

JERSEYS – Teams are required to have both light and dark colored jerseys. Numbers are required on both the front and back of the jersey. The digits “6”, “7”, “8” and “9” are not allowed as part of a jersey number. Undershirts that do not contrast with jersey may be worn.

GAME LINEUP – A typed game lineup must be given to the scorekeeper 10 minutes before every scheduled game time. The game lineup must include the coach’s name, as well as a first name, last name and jersey number of each player expected to participate in the scheduled game. Players must be listed by jersey number, smallest to largest. Additional players that arrive late may be added to the game lineup (*see Late Players*).

PENALTY: Technical fouls multiplied by season instances of noncompliance

EXCEPTION: Team’s first game of the season

LATE PLAYERS – A player is considered late if they are not present at center court for the beginning of the opening prayer, which is scheduled two minutes before game time or three minutes after the conclusion of a prior game, whichever is later. Five players from each team must be present at opening prayer, otherwise the game is forfeited. If both teams do not have the required five players at opening prayer, both teams receive a forfeit loss.

PENALTY: Technical foul for each late player upon entering the game

EXCEPTIONS: No technical fouls will be assessed for late players for any weeknight games scheduled before 7PM

FORFEITS – Two forfeits will disqualify a team from the playoffs (*except for circumstances deemed unusual by SACAA*). Forfeiture of games not started, or an in-game forfeit that favors the team that is behind, will result in a 2-0 score. An in-game forfeit that favors the team that is ahead will use the game score at the time of forfeit.

STANDINGS – Teams will be seeded in the logical order below for the playoffs. In the case of a need to break a tie with three or more teams, apply the logic below till one team is eliminated, and then reapply the logic with the remaining teams:

- Least Number of Forfeits, then,
- Winning Percentage, then,
- Head-to-Head Winning Percentage (*assuming all teams in the tie have played each other*), then,
- Winning Percentage versus non-eliminated playoff teams, then,

RECENT MAJOR NCAA RULE CHANGES

- **Restricted Area Arc (Rule 1-8):** The size of the Restricted Area Arc has been increased to four feet from three feet. For SACAA games, this is an imaginary arc directly under the basket. Officials are to use their best judgment regarding block/charge calls in this area.
- **Guarding - Maintaining Position (Rule 4-17.6.e):** A defender may be moving forward when contact occurs with an airborne shooter if the defender was moving in a direction that he clearly would not have made contact with the shooter *and the shooter moved sideways to cause the contact*.
- **Timeouts Granted - Coach (Rule 5-14.1):** Coaches are not permitted to request a timeout when the ball is live.
- **Violation - 10-Second Backcourt (Rule 9-10):** The 10-second count shall reset on all stoppages of the game clock except when the defense causes the ball to be out of bounds or the offense retains possession after a held ball
- ~~Closely Guarded - Dribbling (Rule 9-14.2):~~ Closely guarded violations no longer can occur when a player is dribbling the ball. **THIS WILL NOT BE IN EFFECT FOR SACAA GAMES**
